The General Alumni Society is the organized effort of Pennsylvania men for their Alma Mater.

Its Board of Directors includes a majority of Directors-at-Large chosen by a mail ballot from all graduates of three years. The local clubs form the Associated Pennsylvania Clubs, and send twelve directors, while the Departmental Societies send one for every thousand graduates of the Department. This Board of Directors manages alumni affairs. It is divided into committees, an Executive Committee, one for each Department, and a Committee on Property and Endowment. These act as a Board of Visitors.

ALUMNI DUES ARE \$3.00 ANNUALLY.

Less than one cent a day

THE MONEY IS SPENT

To organize and conduct alumni efforts for the University's benefit.
To employ a General Secretary and office force.
To maintain memorabilia of all living and dead alumni, with addresses of the former.
To provide an illustrative narrative of 104 pages about the University and to distribute pictures for framing.
To publish THE ALUMNI REGISTER, the graduate monthly magazine founded by Provost Pepper in 1895.

To organize, inform and help local alumni organizations throughout the world.
To finance lectures and clinics at the University.
To publish Alumni Directories.
To elect Trustees of the University.
To provide Song Books for alumni meetings.
To show Moving Pictures of University buildings and varied activities.
To inspire and inform graduates and others everywhere.

IF THE ALUMNI DID NOT DO THESE THINGS THE UNIVERSITY WOULD HAVE TO DO THEM

Thus we lift an enormous burden of expense and administration from her

The only effective way to do it is by a large organization and the service we can render Pennsylvania is only limited by the funds you provide.

THE GENERAL ALUMNI SOCIETY.
